

MARJA-LEENA TYRVÄINEN

AMI Trainerin
(Modular Course in different countries)

We always look forward to the support and have been working together for many years.

Marja-Leena Tyrväinen has over 30 years of experience in teaching children at Primary level. She is traditional kindergarten teacher, has a Finnish Early Childhood Education degree from University and in addition adult education studies. She has been an AMI Montessori Primary Trainer since 2001 directing trainings in Sweden and Switzerland as well as co-directing courses in Romania, Denmark, Sweden and China. Of course, most of the trainings have taken place in Finland. She is as well an AMI international examiner.
